

*The Orton-Gillingham Approach  
Teacher Training Course*

*Marianne Cintron*

has completed The Orton-Gillingham Approach Associate Training Course, a 63-hour synchronous and asynchronous online course on July 14-17 and July 20-24, 2020. This coursework meets the requirement of the Academy of Orton-Gillingham Practitioner and Educators' Associate curriculum. It does not include the practicum, which is required to apply for membership in the Academy and to correctly implement the Approach.\*

*Karen Leopold*

Karen K. Leopold, MS Ed  
Accredited Training Fellow/ AOGPE  
Reading & Learning Disabilities Specialist  
Educational Diagnostician

Academy of  
Orton-Gillingham  
Practitioners  
and Educators

\*This does not qualify the participant to say s/he is "trained" or "certified" in the Orton-Gillingham Approach, but rather has "taken coursework" in the Orton-Gillingham Approach.
